

Erik W. Halenkamp

EDUCATION

B.S. in Software Engineering; Legal Studies Minor; Honors Status

Expected: May 2022

University of Northern Colorado - Greeley, CO

WORK EXPERIENCE

Co-Founder/Head of Development/Registered Agent

May 2021 - Present

RecordWall L.L.C. - Greeley, CO

- As Head of Development, complete the solo undertaking of building RecordWall, a mobile application that allows its users to convene and contribute to a public playlist. Network with freelancers, professors, and community members in order to complete the application in only a summer's time.
- Collaborate with lawyers, consultants, and specialists in the formation of RecordWall L.L.C. in order to sustain RecordWall. Serve as the company's Registered Agent in the event of legal issues or complications.
- Maneuver through the legal quagmire surrounding the United States' music industry in order to create a business model that is both law-abiding and profitable.

Peer Tutor

August 2020 - Present

University of Northern Colorado - Greeley, CO

- **Explain concepts, demonstrate process, guide, and enable students** currently enrolled in Computer Science courses at the University to be independent programmers
 - Instill positive coding habits, teach best practice, and assist tutees in debugging Python and Java code
- Overcoming the challenges of being the **university's only Computer Science tutor**
- Demonstrate proficiency in web-based tools for collaboration and adapt accordingly to COVID restrictions

Delivery Expert

March 2019 - May 2021

Domino's (Tri-City Pizza) - Greeley, CO

- **Ranked first** among other delivery drivers at the store in terms of the following for **over 30 consecutive weeks**:
 - Efficiency: Measured through the time it takes a driver to leave the store following dispatch and the time it takes a driver to clock in after returning from a delivery.
 - Drive Time: Aggregate measure of the average time it takes to deliver an order from dispatch to return.
- In 2020, **placed first in total driver efficiency/drive time calculations** by a margin greater than the difference between second and seventh places. **Placed first in total deliveries** among both full and part-time drivers, the only driver with more than 3,000 deliveries.
- **Conduct and guide others** in closing operations (dishwashing, sweeping, mopping, surface cleaning, etc) at least twice weekly as the manager tends to office work. Offer advice to newer employees on efficient processes.

Freelance Developer (Game Development)

April 2018 - September 2020

Self-Employed

- Develop and sell custom animations and programs in a community marketplace on a popular online game development and sharing platform
- Participate in the development of multiple small-to-mid sized projects in roles such as as lead animator, writer, lead developer, and project lead
- Troubleshoot and collaborate with a diverse spread of community members in order to solve complex problems

Resident Assistant/Camp Counselor

June 2019 - August 2019

Johns Hopkins Center for Talented Youth - Bristol, RI

- Help successfully organize, run, and enrich an educational program for children from all across the world.
- Lead in gathering feedback and tailoring an activity program to the general desire and assist in running said program every day for six weeks.
- Work seven days a week under pressure with tight deadlines, little time off, and lack of sleep.

Student Intern

March 2018 - November 2018

George Brauchler Campaign for Attorney General, Denver, CO

- Under direct supervision of the campaign's grassroots supervisor, act as a recruiter, organizer, and manager of volunteers focused on community outreach. Run cross-state errands, speak at community meetings, and attend social events on behalf of the campaign and the candidate, George Brauchler, a storied Colorado DA.
- Participate in opposition research and data entry tasks, logging financial contributions to the opposition's campaign. In my efforts, I detailed the types/specialties of law firms whose attorneys most generously donated.

AWARDS/ACCOMPLISHMENTS

- **Founding Officer - Software Engineering Club** (University of Northern Colorado): 2021-Present
 - Built and recruited for the university's first Software Engineering Club. Organized events following its inception and maintained the club as a space for students to pursue their Software Engineering goals.
- **Eagle Scout** (Boy Scouts of America): March 2014 - January 2018
 - Self-led service project (construction of picnic area/benches in a local park) completed October 2017, Black Forest Community Center.
 - Served Leadership Positions: Assistant Senior Patrol Leader, Patrol Leader, Den Chief, Webmaster.
 - **Inducted into the Order of the Arrow (Scouting's National Honor Society)**
- **National Society of Leadership and Success Member** (University of Northern Colorado Chapter): 2020-Present
- **University Honors Integrated Program Member** (University of Northern Colorado): 2018-Present
- **University Club Esports Team Participant** - League Semi-Finalist (Fall 2019, Spring 2020): 2019-Present
